# THANK YOU

**O**ur patients, families and staff always make our contests and fund-raisers successful.

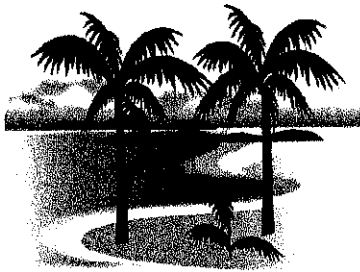

The candy used for our Fall counting contest was donated to "Bedpan" ministries for the Staff at ALL CHILDREN'S HOSPITAL.

In December, you helped us collect several shoeboxes with holiday gifts for children in other countries. We would especially like to thank Mrs. Farid and Mrs. Cotton for their generous contributions.

Thank you for your continued support and don't forget to check out our current contests and fund-raisers.

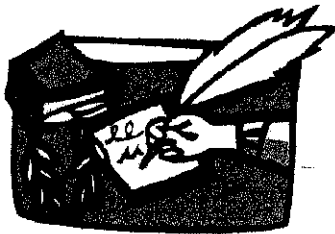

You really are more than patients to us. You are *friends*.

And great ones at that!

# CONGRATULATIONS

to our two young Orthodontic Assistants who recently departed to continue their educational dreams.

**AUTUMN TISO** didn't move too far away from us. She just began classes at Southeastern College in Lakeland. So say "hello" if you're ever in her neighborhood!

However, if you're thinking of visiting **KRISTA CANNON** you've got quite a trip ahead of you. She went all the way to *Utah* to continue her academic studies.

Even though it's made life a little hectic for us, we're very proud of them and wish them nothing but the best!
